The District Medical Officer, South Kanara has submitted proposals to employ the following additional staff in the Government Hospital, Udipi to cope with the increased work.

Compounder -1; Nursing Orderlies -2; Toty -1.

Compounder (1)

According to the prescribed scale of one compounder for every 100 out-patients and one additional compounder for every 75 in-patients the Hospital with an Out-patient attendance of 384 and an In-patient attendance of 85 during 1953 can employ 4 compounders. Nursing orderlies (2)

According to the prescribed scale of one nursing orderly for every 8 beds, the Hospital with a bed strength of 50 can employ 6 nursing orderlies. There are already 4 nursing orderlies employed in the Hospital. Hence the employment of 2 additional nursing orderlies asked for by the District Medical Officer is recommended to Government for sanction.

Toty: (1)

The number of toties employed in the Hospital at present is 3. According to the prescribed scale ~~as~~ of 1 toty for every 12 beds the Hospital with a bed strength of 50 can employ 4 totis. Hence the employment of an additional toty asked for by the District Medical Officer will be sanctioned by me under the powers delegated.

As the extra staff is required for normal work and as the additional cost is not considerable, it seems unnecessary to treat this as a Part II scheme for 1955-56. The staff may be employed from 1-4-55. The draft overleaf may be sent to Finance for acceptance.
